ABSENCES AND ILLNESSES AT SCHOOL

Every child should attend school each day. If your child is absent from school, please send a note to his/her teacher on the first day that they come back to school. If you know that your child is to be absent for more than 2 days, please phone the school office as soon as possible.

SAMPLE ABSENT NOTE:

Dear _____

Please excuse my child _____ from class _____

for being absent on _____ as

he/she was sick because _____.

Signed: _____ (Parent/Guardian)

It is Department policy not to allow children to go home early by themselves. If you wish to take your child home early please see the office prior to picking up your child and they will give you a note to give to the teacher. This is necessary to ensure your child's safety and to avoid unnecessary disruption to classroom routine.

Staff will contact parents/guardians if a child becomes ill at school. Please ensure that your contact details are regularly updated to assist with this process.

For your child's safety we ask that a parent or guardian pick up the child from the office. Please do not send your children to school when they are sick. It is better if they rest in the comfort of their own home.

FIRST DAY OF SCHOOL

ARRIVAL

On the first day, please bring your child to school at the time requested. Following enrolment, you may accompany your child to the classroom to see where he/she will be for the day. This is where you will collect your child in the afternoon.

If your child is upset or hesitant to leave you, try not to worry. This usually stops five to ten minutes after you leave. Rest assured, your child is in good hands.

LUNCH 11:00 am –11:50 am

Children eat lunch with their class between 11:00 am and 11:10 am while the class teacher supervises them. At 11:10 children then go into the playground for playtime.

RECESS 1:40 pm - 2:00 pm

Recess is a time for the children to have a short break. During this time they have a small piece of fruit, biscuits or a slice of cake, have a drink, go to the toilet and have some play. Please give your child a small amount of food for recess and wrap it separately to their lunch.

HOME TIME 2:55 pm

Children are dismissed at 2:55 pm. It is necessary for you to collect your child promptly in the afternoon. Children become anxious if they are kept waiting. An adult or older brother or sister must collect them. If for any reason you are late in picking up your child, please phone the school. After 3:10 pm your child will need to be picked up from the school office.

On the first day the teacher should be informed about the afternoon arrangements concerning each child, eg, who will collect the child. If arrangements are to be changed, please let the teacher know.

SCHOOL UNIFORM

The school has a new school uniform shop located in A Block, adjacent to the administration building. All school uniform items will be sold from this building. Days and times of opening will be advertised in the school newsletter, on the school website and on signage outside the A Block building.

The shop will be operated by parent volunteers, approved by the school Principal.

For safety reasons, suitable footwear should be worn at all times. Thongs and sandals are **not to be worn** at school.
