NAPLAN

Congratulations to all of our students who participated in NAPLAN. We are so proud of your efforts. NAPLAN results will be available to families later in the year – these are usually released around September.

THANK YOU BUNNINGS

Mr Gordon organised for Bunnings to donate over 40 plants to our school. With the help of some of our support unit students, Mr Booth, Mr Case and Dina (a Bunnings team member), we weeded, planted and watered down our new garden outside G block.

KITCHEN KART COOKING LESSONS

Stage 2 have been busy using our Kitchen Kart. We have been responsible when safely handling food and kitchen equipment and we have had a great time working in a team to create delicious soft shell tacos. Our teachers were very impressed with our Masterchef skills!

NEWS FROM THE LIBRARY

A special thanks to our wonderful team of parents who worked hard all day helping make Easter Hats for the parade. We had a really, really busy day and the students were excited to make the most interesting and amazing hats.

MOTHER'S DAY

A great success at the Mother's Day stall. We had a variety of gifts available for the students to purchase. Thank you to everyone who took the time to volunteer. Happy Mother's Day!
