PRINCIPAL'S ASSEMBLY

Our very first principal's assembly will be held on the 22nd June. This assembly rewards students for achievement with our PBL goals of being a safe, respectful, responsible learner. Students will work towards attaining class teacher awards, assistant principal awards, deputy principal awards and principal awards.

PLAYGROUP

CWPS playgroup children are involved in a variety of activities to develop essential skills.

Come and join us if you have children between the ages of 2 and 5. Contact the office for more details.

ZONE CROSS COUNTRY

On Friday the 26th of May, students in years 3, 4, 5 and 6 travelled to Brennan Park in Smithfield to represent our school in the Zone Cross Country carnival. They all put in a lot of effort and represented our school with pride. Congratulations to Fadi from year 5, who will represent our school at the Regional Carnival on Thursday 15th June. We wish him all the very best.

FUTURE FOCUSED CLASSROOMS

Have you seen what has been happening in our classrooms?

At Cabramatta West Public School we have began creating flexible and adaptable learning spaces that encourage student engagement and collaboration. The furniture is designed to be flexible so that various arrangements can be formed to allow opportunities for students to work independently and collaboratively.

We will have open classrooms during Education Week on Tuesday 1st August, 2017.

KINDERGARTEN 2018 ENROLLING NOW!

Our Excursion to Mount Annan Gardens

On Friday we went to the Australian Botanic Gardens. We went with Year 1 and Year 2. We got there in a big white bus and I sat down next to my best friend Thompson on the bus.

First we made a shelter with big long sticks. We had to drag the sticks along the ground. We made a shelter so we could keep safe from the rain, snakes, spiders and thunder. Our shelter needed to be very strong so we can't get wet when it rains. My group helped me build our shelter.

Next we went to look for creatures in the pond with dip nets. We put the dip nets into the pond and looked for creatures on our charts. We all had a turn putting the dip nets into the water. My group found some small things.

Then we went on a bushwalk to look for animals. We saw a snail trail, fox poo and kangaroo poo. That means that a snail was there and a fox was there and a kangaroo was there in the garden. All these animals live in the garden. We also saw two nests up in the trees.

Finally we got to make a habitat for animals. We used clay, bark, sticks, string, hay and branches. I made an owl's tree and nest with Manu. We showed our habitat to everyone. I loved my habitat because I love owls, that's why I made an owl tree.

Then the bus came back to pick us up. When I got back on the bus, I fell asleep. I had a super, duper great day!

My Yard by Malachi 6I

My Campsite by Tony 6D

I love a peaceful camp,
a place of many directions,
of beautiful green lands,
of safe, fun selections,

I love her sparkling beach,
I love her marvellous fountains,
Her harmless environment for animals
The perfect view of mountains

My astonishing land of freedom,
for cars, caravan's and campfires
Its like she has a kingdom,

Over the southern seas
watch the water rise,
the warmth of her fire,
know she is a prize.

I love the emerald yard,
A yard with a tall beautiful tree,
Of bright coloured gardens for me,
Of happiness and beauty.

I love her hair in the morning breeze,
I love when she brings up a freeze,
Her wind makes me chilli,
The emerald yard for me.

The bright gold beauty of the sun,
A big open stadium to run,
The big emerald yard of fun.

The light coloured trees,
Dancing to the breeze,
The wide windy air for me.

Core of my heart, my yard!
Her aqua bright blue light,
When sick at heart, around us
We see birds getting ready for flight.

But soon the aqua sky will fade,
And mum will bring us to the shade,
Of beautiful delicious smells,
And then I hear the rings of school bells.

Dreams of an imagination by Hien 6R

I love an endless dream,
A world of creativity,
Of passion and inspiration,
Of vividness and originality,

I love her free imagination,
I love her specialty,
her interest and her perfection,
The glory of imagination is just for me,

Core of my passion, my creativity,
Land of the yummy rainbows,
For joy, love and happiness,
She glamorizes as it glows,

Over the lovely memories,
Watching time go by,
The beauty of time,
That fades away as we cry,

This semester, students in year 6 have been studying poetry.

We have adapted Dorathea Mackeller's poem *My Country* and based our own poems on a place that is very special to us.

This is just a snapshot of some of the wonderful writing year six have created.

We hope you enjoy reading our poems!
